

2.flight reservation system

The screenshot displays a web browser window with multiple tabs. The active tab shows a Zoho Creator application titled "flight reservation system" in the "Development" environment. The application's header includes the title, a search icon, a "+" icon, and a menu icon. Below the header, a table titled "All Flight Resrvation Systems" is visible. The table has columns for Name, Email, Phone, destination from, destination to, Date, and Time. Two records are shown: one for "s vinuthna" and another for "nannuri pavani". The bottom of the screen shows a Windows taskbar with various icons and a system tray displaying the date and time.
