

3. property buying and rental process

The screenshot displays a web browser window with multiple tabs. The active tab shows a Zoho Creator application titled 'rental process' in the 'Development' environment. The application's sidebar on the left contains a menu with 'rental process', 'Rental Details', 'Tenants', and 'Add Tenant'. The 'Tenants' section is currently selected, displaying a table of tenant information. The table has columns for Name, Mobile, Email, Occupation, Apartment Type, Move-In Date, Was rented?, and Reason for shifting. One tenant is listed: 'nannuri pavani' with a mobile number of '+917207520585' and an email of 'pavaninannuri@gmail.com'. The table indicates the tenant is 'Self-employed', lives in a 'Two Bedroom' apartment, moved in on '04-May-2023', and has been rented 'Yes' with the reason 'rent high'. The bottom of the screen shows a Windows taskbar with various application icons and a system tray displaying the date and time as '09:08 03-05-2023'.
